

## Barbeque or ketchup

Barbeque or ketchup  
Is the best hamburgers  
Eat it all

Play hockey in the winter  
Hope to score and win  
Be a proper sport  
And try not to sin

Try to be who you are  
And not be who your not  
Because when you least expect it  
Your life would be in a knot

Don't worry what people think  
Only you know what's best  
Don't get to hasty  
Or you'll wind up in a ditch
